

Katie Sarah

Summiting the World's highest peaks & volcanoes

In 2010 Katie became the first South Australian (and 6th Australian) woman to summit Mt Everest. In 2013 Katie completed the 7 summits, successful climbs of each of the highest peaks on each continent. In 2018 Katie completed the 7 volcanic summits with a summit of Mt Sidley, Antarctica. She is the only female in the world, and one of fewer than 10 people ever to have completed both the 7 summits and 7 volcanic summits.

She is aiming to add the Explorers Grand Slam to this list, having successfully completed the Ski Last Degree to the South Pole with only the North Pole to go.

Katie has a Bachelor of Business in Finance, a Masters in Accounting and is a Graduate of the Australian Institute of Company Directors. She owns and manages Sarah Mountain Journeys Pty Ltd, is married and has three sons. Katie is Chair of the Board of Holiday Explorers, Board Member of Guide Dogs SA/NT and Guildhouse and a Meals on Wheels volunteer.
