Dr Philip Jones is a senior curator at the South Australian Museum, where he has produced books and exhibitions dealing with the Aboriginal - European frontier and material culture.

Dr Jones will take a closer look at Angas's ethnographic work, focusing on his writing and images from the Adelaide area, the Murray and Lakes, Coorong, South-East and Port Lincoln.

## Dr Philip Jones

George French Angas (1822-1886), Rapid Bay, Encampment of Yan

**George French  
Angas as a  
pioneer Australian  
ethnographer**

The RGSSA Lecture Program is supported by the State Library of South Australia
